

FLEG CAN WORK!

*Innovative approaches to support Government
action on FLEG*

Side Event Hosted by Taiga Rescue Network

Governments are negotiating, and the process moves on. At the grass-roots level the civil society is already working with each other, with local authorities, and others. Governments, you are not alone. There's a lot going on. Let's join forces!

In this side event a selection of NGOs present examples of how to work together on ENA-FLEG implementation. It's already happening.

Wednesday, Nov 23
12:30 – 1:15
Pavlovsk Hall

Chair: Jouni Nissinen, Taiga Rescue Network

Please join us for brief presentations and discussion on practical approaches for implementing action on FLEG.

- Let the satellites do the work!
Lars Laestadius, World Resources Institute
- Public opinion rules!
Backing up legislation with opinion polls
Alexei Grigoriev, Socio-Ecological Union
